British Columbia/Yukon

The British Columbia Lions Society For Children with Disabilities

IMPACT REPORT

Easter Seals BC/Yukon

2025 - 2026

WHO WE ARE

For 79 years, Easter Seals BC/Yukon has been dedicated to enhancing the quality of life, self-esteem, and independence of individuals with disabilities. Through the Easter Seals House, summer camps and other specialized programs and services, we help break down barriers and create a more inclusive, accessible, and equitable society, empowering our community to grow and thrive. Easter Seals BC/Yukon operates as a service of the BC Lions Society for Children with Disabilities. We are a provincial member of Easter Seals Canada.

Members of Easter Seals BC/Yukon are grateful to live, work, and be in relation with people from across many traditional and unceded territories. We are honoured to live on this land and are committed to reconciliation, decolonization, and building relationships in our communities, places of work and schools.

MISSION

To inspire communities across BC and the Yukon to support, and enable access for, individuals with disabilities.

WHAT WE DO

- Easter Seals House
- Overnight Summer Camps
- Adult Summer Camps
- Family Camps
- Other Programs & Services

OUR YEAR AT A GLANCE

A message from the Acting CEO and Board of Directors

This past year at Easter Seals BC/Yukon has been one of progress, growth, and remarkable community support. We are grateful for all the support, advocacy, and generosity of our donors, partners, Lions Clubs, volunteers, and communities across British Columbia and the Yukon.

Together, we brought our mission to life in many ways, from inviting students to imagine a more accessible future through our National AccessAbility Week design contest to advocating in Ottawa for the programs, services, and accessible infrastructure that our communities need.

The impact of this work is best seen through families like Georgina's. Now 24, Georgina has attended Camp Squamish since she was 14, building confidence, independence, and a willingness to embrace new experiences. Her father, Simon, has watched her return from camp each year believing more strongly in what she can do, while his family has also experienced the value of trusted respite. Stories like Georgina's remind us why our work matters and why Easter Seals Camp continues to be such an important part of so many lives, providing vital opportunities for adventure, friendship, independence, and belonging.

The need for our programs and services remains as strong as ever. Easter Seals House continues to operate at full capacity, providing a welcoming home away from home for families travelling to Vancouver for medical care at a time when the cost of accommodation can be overwhelming.

This work is only possible because of the generosity of our supporters. This year, the Colonel Harland Sanders Charitable Organization helped provide funding for families who were affected by the temporary closure of Camp Shawnigan to attend another Easter Seals camp, while the inaugural Okanagan Celebrity Invitational raised more than $256,000 in support of Camp Winfield.

We also celebrated important progress at Camp Shawnigan, where a new accessible parking area and two accessible cabins are under construction, and continued improvements at Easter Seals House, including exterior painting, room renovations and new flooring. These achievements reflect what is possible when a community comes together around a shared belief in opportunity and inclusion.

As we look ahead, we are focused on building an even stronger future. In the coming year, we will begin developing a new five-year strategic plan, and continue our capital campaign with the goal of reopening Camp Shawnigan to once again serve families on Vancouver Island.

Thank you for believing in this work. Your generosity ensures that we can continue responding to the needs of our community and create opportunities for people with disabilities to explore, connect, grow, and thrive. Together, we are building a future with fewer barriers and more possibilities for everyone.

With gratitude,

Tristan Klassen
Acting CEO, Easter Seals BC/Yukon

Kirk Duff
Chair, Board of Directors

CAMP SHAWNIGAN UPDATE

Building a future of possibility

It's an exciting new chapter for Camp Shawnigan as our vision for a fully accessible, year-round camp continues to become a reality. After years of planning, fundraising and community support, construction is officially underway, bringing us closer to a place where everyone can experience the magic of camp.

The first phase of redevelopment is making significant progress. Construction has begun on our first two accessible cabins, and the new parking lot is nearing completion. These milestones are important steps toward transforming Camp Shawnigan into a modern, welcoming space designed with accessibility at its heart.

For nearly 50 years, Camp Shawnigan has been a place where children, youth and adults with disabilities have discovered the independence and adventure that camp offers. Our redevelopment honours that history while creating a camp designed to meet the needs of future generations. With accessible accommodations, thoughtfully designed recreation spaces and opportunities for year-round programming, we're building a place where more people can participate fully in camp life.

One of the most inspiring parts of this journey has been the tremendous support from our community. This year, two extraordinary contributions have helped propel the campaign forward: a remarkable $1 million gift from Andrew Sheret Limited and a generous $500,000 matching gift from the Colonel Harland Sanders Charitable Organization announced at our Life-Changing, By Design Gala. These significant investments reflect a shared belief in the importance of creating a camp where everyone has the opportunity to belong.

Beyond these milestone gifts, local individuals and businesses continue to step forward with generosity, expertise and a willingness to help. Alongside our donors, community partners, Lions Clubs and dedicated volunteers, they are helping turn an ambitious vision into something truly special.

There's still important work ahead, but with every construction milestone, we're one step closer to welcoming campers back to a place built for belonging.

To everyone who has supported this campaign, thank you for believing in the future of Camp Shawnigan. Together, we're rebuilding the place where barriers fall, spirits rise and every camper feels the unmistakable magic of belonging.

Elena Lawson
Director, Capital Campaign

> ***Redeveloping Camp Shawnigan is about so much more than new buildings and facilities. It's about expanding something you can't construct out of wood and concrete: a community where children like my daughter, Shayna, are known, valued, included, and celebrated exactly as they are. The opportunity to bring that sense of belonging to more children and families, throughout the year, is not only incredibly exciting, but meets a very real need in our community.***
>
> Zahida Jaffer, Camp Shawnigan Camper Mom

OUR CAMPS

Easter Seals BC/Yukon Camps provide welcoming, accessible and inclusive experiences for children and adults with physical and cognitive disabilities. We believe everyone deserves the opportunity to enjoy the outdoors, build friendships, try new activities and create lasting memories in a supportive environment. Last year, we operated two locations, Camp Winfield and Camp Squamish, offering a variety of programs, including overnight stays, family experiences, weeks focused on mixed medical needs and autism, and an introductory weekend for first-time campers.

Cassidy's Story: Discovering Her Strengths

When Cassidy first attended Easter Seals Camp at age nine, she was nervous to spend a week away from family. Diagnosed with autism at four, she had often struggled to feel included in other summer programs. At camp, she found friendship, acceptance and a place to be herself. Attending the Leader in Training Program with Easter Seals helped her find her voice.

Now 30, Cassidy continues to carry the confidence and skills she developed at camp into her everyday life, including gaining employment at a local grocery store. Camp has helped her recognize her abilities and the valuable contributions she can make.

> ***"I spent so much of my life doubting myself because people have made assumptions. But now I feel more confident in myself, and I don't feel as nervous or feel like I'm different from other people."***

Her mother describes the joy of seeing Cassidy surrounded by people who embrace her for who she is: **"There is no gift greater than seeing your child just be totally happy with no concerns."** Thanks to donor support, campers like Cassidy can build confidence, discover their potential and experience the life-changing power of belonging.

An update from the Director of Camp and Recreation Programs

The BC Easter Seals Camping Program ran as smoothly as it ever has this past season! Both Camp Squamish and Camp Winfield hosted a record number of returning staff, many of which previously worked at Camp Shawnigan, bringing a special type of island magic to both sites. We also welcomed a number of new families and our returning families made new memories!

Both sites were in high demand, with Camp Squamish running completely full, and Camp Winfield's adult programs operating at maximum capacity for the first time since 2019. Across the province, we saw over 1,500 smores made, at least 300 trips down the waterslide, and too many smiles to count.

A special thank you to our partners; this year we hosted a record number of nursing students from the University of British Columbia Okanagan (UBCO), in addition welcoming campers from both the Canadian National Institute for the Blind (CNIB) and Canucks Autism Network (CAN). We were so lucky to get to share the magic of camp with you this season, and look forward to many more to come!

It is an honor and a privilege to be able to provide care and respite for our camp families, and this is a responsibility we do not take lightly. Thank you for your ongoing trust, and allowing us to provide programs that we believe are meaningful, accessible, and full of joy!

Dale Kilgour
Director, Camp and Recreation Programs

LOCO

EASTER SEALS HOUSE

Since 1955, Easter Seals House has been a lifeline for families travelling to Vancouver for essential medical care. Located on Oak Street, the House features 49 purpose-built suites offering families a comfortable, affordable place to stay for only $100 a night. Easter Seals House provides relief and reassurance during some of life's most challenging moments. From a friendly smile at check-in to a kind word after a long day at the hospital, the compassion of our staff helps guests feel supported and cared for, even when they are far from home.

This year, Easter Seals House maintained an average occupancy rate of 87% while continuing to invest in a safe, comfortable and welcoming environment for guests. Thanks to the generosity of multiple Lions Clubs, rooms 301 and 305 underwent complete renovations, while hallway and stairwell flooring was upgraded throughout the House. The building's exterior, including fencing, was also refreshed with a new coat of paint. These improvements help ensure Easter Seals House remains a place of comfort and care for families navigating difficult medical journeys. Respite stays continue to be important for families, providing a welcoming and uncomplicated place where they can have a break from the physical and emotional demands of daily caregiving, essential for preventing burnout.

> ***"The Easter Seals House was a lifesaver for me. I was already facing the heartbreak of knowing I was losing my sister. Not having to worry about the financial burden of an expensive hotel on top of that allowed me to be more present."***
>

DeAnna and Brandi's Story: A Place That Feels Like Home

For DeAnna and her 19-year-old daughter, Brandi, travelling from Dawson Creek to Vancouver for medical care is a familiar but demanding journey. Brandi's complex health needs require regular appointments with specialists at BC Children's Hospital and other clinics. When Brandi outgrew the age eligibility for Ronald McDonald House, finding accessible, welcoming accommodation became even more important. Since January 2024, Easter Seals House has provided the safe, comfortable place they need during their visits.

After four stays, Easter Seals House has become their home away from home. Its convenient location near hospitals and clinics makes attending appointments easier, while the full kitchen allows them to prepare familiar comfort foods together. They appreciate the kindness of the staff, the welcoming amenity lounges and the opportunity to enjoy small moments of normalcy between medical appointments. They even make time to explore accessible activities around Vancouver, creating positive memories along the way.

For DeAnna and Brandi, Easter Seals House is much more than a place to sleep. It offers comfort, familiarity and peace of mind during an often stressful time, helping them focus on what matters most: Brandi's health and well-being. For families travelling long distances to access essential medical care, these supports can make an enormous difference. Thanks to donor generosity, Easter Seals House continues to provide families with an affordable, welcoming place to stay when they need it most.

SIGNATURE EVENTS

Around the World

The 3rd Annual Around the World Dinner brought together passionate supporters for an unforgettable evening of fine dining and philanthropy on April 16 at Vancouver's Terminal City Club. Featuring an exclusive four-course international menu by renowned Chef James Walt of Toptable Group, the evening included a champagne reception, oyster bar, curated wines, live auction, wall of wine and grand-prize raffle.

Together, guests and supporters raised an incredible **$138,500** in support of Easter Seals BC/Yukon's life-changing programs, services and camp experiences for children, youth and adults with disabilities across BC and Yukon. The evening was a wonderful celebration of community and the power of coming together to create lasting change. We look forward to welcoming guests back on May 6, 2027!

Drop Zone

Each September, Easter Seals Drop Zone brings together superheroes from across BC to rappel down some of the province's tallest buildings in support of children, youth and adults with disabilities. In 2026, events in Victoria, Burnaby, Vancouver and Kelowna welcomed 168 participants across 33 teams, with Vancouver and Victoria proudly celebrating their 21st year of Drop Zone. Participants faced their fears and took on the thrilling challenge, turning extraordinary acts of courage into meaningful support for our cause.

Together, the 2026 Drop Zone BC events raised an incredible **$231,578** to support Easter Seals BC/Yukon's programs and services. This achievement was made possible by the dedication of participants and the generosity of donors, sponsors and volunteers, whose support helps create more opportunities and make a lasting difference for people with disabilities across BC and Yukon.

Life-Changing, by Design Gala

Our Life-Changing, by Design Gala was an unforgettable evening of generosity, community and celebration in support of the redevelopment of Camp Shawnigan. Held on September 11 at Uplands Golf Club, the sold-out event welcomed nearly 200 guests and raised an extraordinary **$1.6 million**.

Our presenting sponsors, Alpine Group, Zapco Welding and Fabricating and the Maxxam Group, as well as platinum sponsor Island Eye Care helped create a magical evening where our community truly came together. Their support and the support of our sponsors, auction donors and guests, made the evening a milestone in our capital campaign.

We are deeply grateful to everyone who helped bring this event to life, including our incredible Lions Clubs' volunteers. Your generosity is helping create a future where more children, youth and adults with disabilities can experience the magic of camp.

A Taste of Possibility

On May 27 2027, we look forward to introducing A Taste of Possibility in the Okanagan, a new culinary fundraising experience bringing together exceptional food, celebrated Okanagan wines and community. Guests will journey through six curated tasting stations, each featuring thoughtfully paired culinary creations that celebrate the region's local flavours and ingredients. More than an evening of food and wine, the event will unite our community around a shared purpose: creating opportunities and brighter futures for children, youth and adults with disabilities across BC and Yukon.

IN THE COMMUNITY

Paddle for the Kids

For 45 years, the Victoria Canoe and Kayak Club has brought paddlers together for Paddle for the Kids, raising funds for accessible and inclusive summer camp experiences at Easter Seals BC/Yukon. This past March, dedicated paddlers journeyed 75 kilometres from Brentwood Bay to the club's home on the Gorge, continuing a tradition that began in 1982 with a single 25-foot voyageur canoe.

Over the decades, the club has raised more than $440,000 for Easter Seals summer camps in BC. Their generosity helps campers build friendships, try new experiences and create lasting memories. We are deeply grateful to the club and everyone who helps make the magic of camp possible for more families.

Brenden's Ride

After a seven-year hiatus, Brenden's Ride returned on July 18, bringing riders, volunteers, sponsors and supporters together for a memorable day in support of Easter Seals BC/Yukon. Participants travelled from Rusty's Neighbourhood Pub in Cloverdale to Camp Squamish for an afternoon of live music, lunch and celebration.

The ride also honoured Baron Parker, Brenden's father and a co-founder of the event, with blue memorial ribbons displayed on motorcycles and support vehicles in tribute to his legacy. Thanks to the generosity of everyone involved, Brenden's Ride raised $8,000 to support Easter Seals BC/Yukon. We are grateful to this incredible community for bringing the tradition back to life and helping make camp possible for more families.

Guardians of a Wishing Well

Tyson, a longtime Easter Seals camper, and his personal support worker and friend, Dakota, joined forces as Guardians of a Wishing Well to help make Camp Squamish more accessible. First attending camp around age 6, Tyson is now 35 and passionate about helping others experience the same sense of belonging and possibility that camp has brought to his life. Through dance, storytelling and community fundraising, Tyson and Dakota turn their shared commitment to accessibility and inclusion into action.

In January, Guardians of a Wishing Well raised $500 to purchase medical lift slings for Camp Squamish, helping support campers' comfort, safety and participation. We are grateful to Tyson, Dakota and everyone who contributed to their fundraiser for helping remove barriers and create more inclusive camp experiences.

Digital Commerce Group Open

The 2026 Digital Commerce Group Open was a record-breaking success in support of Camp Shawnigan. Held at Uplands Golf Club as part of the PGA TOUR Americas, the tournament brought together players, spectators, sponsors and volunteers for an unforgettable week of golf and fundraising.

Together with our Life-Changing, by Design Gala, activities including the 50/50 draw, online auction and Ball Drop raised a combined $1.7 million for Camp Shawnigan, making it the highest-fundraising tournament on the PGA TOUR Americas circuit in 2026. We are deeply grateful to the Victoria Open Golf Society, PGA TOUR Americas, organizers, sponsors, volunteers and local businesses whose generosity is helping build a more accessible future for campers.

NATIONAL ACCESSABILITY WEEK

Inspiring the Next Generation of Inclusion

In the lead-up to National AccessAbility Week, May 31 to June 6, 2026, we invited students in Grades 5–12 across BC and the Yukon to design a T-shirt inspired by the theme: **Reimagining Play, Learning, and Community Through Accessibility.**

The response was inspiring, with **226 submissions from 45 schools**, a 40% increase in entries and twice as many participating schools as the previous year. Participating schools received accessibility lesson plans and the opportunity to attend a webinar hosted by Easter Seals Canada, encouraging students to explore disability awareness, inclusion and ways to build more accessible communities.

More than a creative challenge, the contest brought accessibility conversations into classrooms, empowering young people to help build communities where everyone can participate, learn and belong.

2026 T-Shirt Design Contest Winners

Group A Winner (Grades 5–8): Alyssa from Burnaby

> ***"Drawing children holding hands in a circle, playing 'ring around the rosie', represents unity and community in play. Each character being different in shades or colours represents racial diversity, because regardless of any 'differences' they have, all children deserve to play in an environment where they're included equally."***

Group B Winner (Grades 9–12): Noah from Squamish

> ***"It doesn't matter what your race is, if you have a disability, what you believe in, what gender or what your orientation is, you will be accepted in a community. This is what my artwork represents. The two hands making a heart together and the rainbow represent community, the kids in the middle represent play and accessibility, the lightbulb and the cloud represent reimagining and new ideas, the book is meant to represent learning and finally the seal with bunny ears is the Easter Seal mascot."***

Thank you to all our partners for your support, including Panago Pizza and Fully Promoted.

VOLUNTEERS

Behind every successful event is a community of people who give their time, energy, and heart to make it happen. Throughout the year, **more than 125 volunteers** supported Easter Seals BC/Yukon, helping bring our events and fundraisers to life.

Our volunteers show their dedication in so many ways. Some return to the same event year after year, bringing valuable experience that helps everything run more smoothly. Others show up for every event, becoming familiar faces we can count on time and time again. And some travel more than two hours, whether by car or ferry, simply to lend a hand and be part of something meaningful.

To every volunteer who has stepped in wherever help was needed, thank you. Your generosity and commitment are an important part of what makes our work possible, and we are so grateful to have you in our community.

ANNUAL MEMBERSHIPS

For just $10 a year, becoming an annual member of Easter Seals BC/Yukon and the BC Lions Society for Children with Disabilities is a meaningful way to show your ongoing support. Membership connects people across BC and the Yukon who believe in creating more accessible and inclusive opportunities for children and adults with disabilities.

Members receive e-newsletter updates, invitations to events and our Annual General Meeting, and the opportunity to request a tour of Easter Seals House. More than that, every membership represents someone invested in our mission and our future. **By renewing their support each year, members help strengthen our community and champion the programs and services that make a difference in the lives of people with disabilities.**

A PARTNERSHIP THAT MAKES A DIFFERENCE: LIONS CLUBS OF BC AND YUKON

For nearly 80 years, Lions Clubs across British Columbia and the Yukon have been dedicated partners in helping Easter Seals create opportunities for children, youth, adults, and families with disabilities. This past year, 58 clubs continued to make an incredible impact through fundraising, volunteerism, community leadership, and hands-on support. Their generosity helped provide camperships, support essential equipment and camp improvements, and create welcoming spaces for families at Easter Seals House. Their commitment is a powerful reminder of what can happen when communities come together with a shared purpose.

Lions Clubs continue to find meaningful ways to support Easter Seals in their own communities. Every contribution matters, whether it comes from a large annual event or a dedicated club's steady, year-after-year giving. This year, clubs hosted golf tournaments, bingo nights and community fundraisers, and collected can tabs to support medical equipment at Camp Winfield. Lions golf tournaments alone contributed more than $30,000 toward camperships. More than 50 volunteers, including Lions members, also helped prepare Camp Winfield for the summer season. Lions were a welcoming presence at both the Camp Winfield and Camp Squamish Open Houses, attending alongside campers and families, making donations, and volunteering their time to operate the BBQs. Across BC and the Yukon, Lions members also stepped up as volunteers and participants at Drop Zone events, showing that their commitment goes far beyond financial contributions.

$235,000+
Funds Raised

58
Lions Clubs Contributed

The Lions' impact was also felt at Easter Seals House, where several clubs came together to fund and champion guest room renovations for families travelling to Vancouver for medical care. The North Surrey, Logan Lake, Enderby and Maple Ridge Lions Clubs partnered on one renovation, while Lions leaders helped secure a matching grant from the Lions Clubs International Foundation for another. The Whitehorse and Port Coquitlam Lions Clubs have also generously contributed more than half the funds for an additional room renovation to be completed at a later date. With these projects, the Lions are helping transform Easter Seals House into an even more comfortable and welcoming home away from home.

Their commitment to Easter Seals' future was also evident on March 6, when Lions joined supporters, community leaders and partners at the groundbreaking for the Camp Shawnigan redevelopment. This marked an important milestone in creating a year-round, purpose-built inclusive camp. Lions also showed their support at the Life-Changing by Design Gala and Digital Commerce Group Open.

From long-standing traditions to new opportunities, Lions Clubs continue to be an essential part of the Easter Seals community. Their generosity, volunteer spirit and belief in the power of inclusion help strengthen our programs and services year after year. We are deeply grateful to all 58 clubs and to every Lion who raises funds, volunteers their time, champions our mission or simply shares the Easter Seals story in their community. Together, we are building on a remarkable legacy of partnership and helping create more opportunities for people with disabilities across BC and Yukon.

AT EASTER SEALS BC/YUKON, WE ARE GRATEFUL FOR THE ONGOING SUPPORT OF OUR DONORS AND COMMUNITY PARTNERS, AT EVERY LEVEL.

It is only because of your commitment and generosity that we can make a real impact in the lives of people living with disabilities. Together, we're breaking down barriers and creating a more inclusive, accessible, andequitable society. On behalf of those we serve, thank you for putting your trust in us.

This list was current at time of printing. For those we missed, we apologize and thank you for your generosity.
