TIMMY’S CHRISTMAS TELETHON
SUPPORTING EASTER SEALS SERVICES
RETURNS ON SUNDAY, DECEMBER 8th, 2013

Vancouver, BC – Helping a family with a child in need is as easy as turning on the television, and watching the 26th annual Timmy’s Christmas Telethon presented by Shaw.

On Sunday, December 8th, 2013 the annual Christmas telethon in support of the BC Lions Society Easter Seals services will once again air on Shaw TV stations throughout the province of British Columbia.

Timmy’s Christmas Telethon will feature six hours of televised entertainment, special celebrity guests, and inspiring stories that introduce many BC families and the special services required by their children. These services are financed by the funds raised through events like the telethon, and the generous support of telethon donors. The telethon will also recognize the many good works of caring individuals and organizations that assist and support the society’s Easter Seals initiatives throughout the year.

Since 1952 the BC Lions Society has been ‘Helping Give Children Abilities’ by providing Easter Seals services and programs that enrich the lives of BC’s children by promoting self esteem, confidence and independence. The Society assists children with physical and cognitive disabilities. They fund province-wide specialized services like the Easter Seals Camps, Easter Seal Houses, the Lions Laser Skin Care Centre, Patient Care Grants, and the Lions Vancouver Hospital Helipad. They also assist in funding college scholarships to support youth with disabilities to further their education.

For more information on the telethon or the BC Lions Society’s Easter Seals services please contact 604-873-1865 or visit www.timmys.org or www.lionsbc.ca
