FIRSTLY

THANK YOU

FOR YOUR SUPPORT

After skipping a year for the safety and wellbeing of our players, supporters and volunteers, we are thrilled to be back! Taking place on Monday, July 12th, 2021 at Richmond Country Club, this year's **35TH ZLC FOUNDATION CHARITY GOLF TOURNAMENT** promises to be an unforgettable experience!

Over the years, our tournament has evolved into one of the premier golf events of the season. The tournament's blend of valued clients, friends, on courses experiences, fantastic facilities and great food, create an event that our players and sponsors look forward to every year. We are privileged to host the tournament at Richmond Country Club, which has been the venue of choice for a number of local and provincial championships throughout the years.

Going into our 35TH year of hosting this tournament, we wanted to extend a sincere thank you to our sponsors, donors, guests, golfers and volunteers for helping us raise over **\$1.4 MILLION** for beneficiaries of the foundation over the years.

We invite you to participate in this first-class tournament and show your support for Easter Seals, British Columbia & Yukon, the beneficiary of this year's tournament proceeds.

We are proud to be hosting our 35TH charity golf tournament and helping our community create a better place to live.

ABOUT EASTER SEALS, BC & YUKON

Easter Seals BC & Yukon offers two essential services that serve some of the most vulnerable in our community – individuals with disabilities, compromised immune systems and health related problems that require medical treatment. Easter Seals House has been a home-away-from-home since 1955 for those required to travel to Vancouver for medical treatment. Easter Seals Camps offer a week-long, fully accessible camp experience for children, youth and adults with physical and intellectual disabilities. However, in response to the COVID-19 pandemic, this program was adapted to deliver Easter Seals Camp@Home, an online alternative that has brought the adventure and skill-building fun of camp to the homes of their campers.

Funds raised from this tournament will support the most urgent needs of Easter Seals Camp for those living with disabilities. They may be struggling with the pandemic more than others, due to the loss of access to critical services, programs, peer-to-peer support and respite for families. In the summer of 2021, Easter Seals is planning to reopen its site-based camps, with a reduced scale of operations, in conjunction with the online Camp@Home program. With this approach, the organization can adapt as needed to any provincial health orders that may be in place at that time. Most importantly, it will be able to keep everyone safe while continuing to bring the magic of camp to the children, youth and adults with disabilities across BC and the Yukon.
