

# LIONS DEN

SPRING 2024

## Camp Shawnigan Fundraising Goal

## Message from the Vice President

I want to start by saying thank you. Thank you for all you do to support Easter Seals and the communities where you live, work and play. At Easter Seals, we are especially grateful for all you do to help us serve the disability community.

We are currently going through some changes here at 23rd and Oak and I wanted to bring you up to speed on some of the things that we are doing to improve our work and our communication with audiences and stakeholders close to the organization.

One of the biggest changes will be this newsletter, which we have affectionately titled—*Lions Den*. We recognize that we have not been doing a great job communicating with you lately and we want to rectify that.

Once a quarter, you will receive this newsletter, which will focus specifically on Easter Seals

activities and updates, upcoming events, and feature articles on Lions Clubs across the province. It's our hope that this will keep you informed with what we're doing and where your support is making an impact, as well as give your Club a bigger voice in our community.

I sincerely hope you enjoy this first edition and I look forward to hearing from you—good or bad—so we can make this newsletter the most useful information-sharing tool possible, for both our organizations.

Thank you for all you do. We make a greater impact in our community because of the Lions Clubs.

Sincerely,

**Mike Leland**  
Vice-President, Engagement & Philanthropy

## Welcome to the Lions Den!

This quarterly publication is our opportunity to celebrate the fantastic work of our Lions Club. We want to hear from you! Send your Club updates to be considered for future editions! [info@eastersealsbcy.ca](mailto:info@eastersealsbcy.ca)

## Easter Seals House

This year has been a good one for the team at ESH. The House has 49 suites in total and we have been operating at over 90 percent occupancy rate this past quarter, and for most of the year. Aside from the normal wear and tear, our capital spends have been limited to upgrading individual suites. We have six suites that require upgrading and thanks to the generosity of the Tsawwassen Lions Club, we can start one this quarter.

**Easter Seals House is a place to stay when traveling to Vancouver for medical treatment and appointments. Our rooms are a fraction of the cost of a hotel and we provide valuable respite to parents and families needing a place to stay to relax and recharge.**

If you're interested in a tour, we would be happy to host your Club. Simply contact Jorgina Thompson [jthompson@eastersealsbcy.ca](mailto:jthompson@eastersealsbcy.ca) and book one today.

## Tsawwassen Bay Lions donate room...

In March, Dave Smith and several of the members of his Tsawwassen Bay Lions Club visited ESH and presented us with a cheque for \$25,000 to help renovate one of our rooms at Easter Seals House. Dave and his team got the VIP tour from our ESH Director, Ann Fonseca—they even got to see the room their generous donation will help renovate.

The group stuck around for lunch and go to know more about Easter Seals, and we got to learn more about their Club. It was a great day made even better by a bunch of great guys. Thank you, Tsawwassen Bay Lions... you're welcome back anytime.

## A Campaign to Transform Camp Shawnigan

As many of you know, we are currently working on a Campaign to rebuild Camp Shawnigan. The \$25 million project will be the largest one we have ever undertaken in our history in B.C. but when we are finished, we will have North America's first year-round, purpose-built, multifunctional space for children, youth, and adults with physical and intellectual disabilities.

The new Camp will be able to run programs and services year-round and it will be self-sustaining so less fundraising will be required, and we will be able to serve a much larger audience, including hosting MD-19 conferences and other Lions' meetings.

To date, we've made several presentations to the Lions Clubs at various levels and have been encouraged by the interest and level of support. We have also found a donor who is willing to match dollar-for-dollar any funds raised by the Lions, up to \$450,000.

We are currently working with local clubs on the Island to raise funds and awareness around the project. If you would like to know more, contact Shannon Bernays [sbernays@eastersealsbcy.ca](mailto:sbernays@eastersealsbcy.ca).

We would like to thank the Alberni Lions and Duncan Lions for their generous contributions. Both clubs have donated \$5,000 each.

## A Year to Celebrate: Lunar New Year, Lions Style

January was filled with celebrations as Clubs across B.C. celebrated the Lunar New Year. In Richmond, the Vancouver East Lions Club celebrated its 80th year, and it was magical. A couple hundred members were on hand to enjoy the festivities and celebrate the club, including founding member Renzo Montagliani. In Victoria, Victoria Chinatown Lionness Lions Club put on an amazing dinner, filled with the who's who in the city, including the Mayor and several other dignitaries. District Governor, Elaine Luk was on hand to help bring in the New Year and spread prosperity and joy to all.
