

This summer, I am going to Autism Week at Camp Shawnigan!

I will meet staff from Canadian Autism Network (CAN) and Easter Seals.

We will have fun!

When I get to camp, I will check in with the camp nurses, and meet my camp counsellors. I may have to wait in line until my turn.

I will meet the new friends that are in my buddy group.

At camp we will sleep in the dorms.

Everyone has their own bed at camp, and counsellors stay awake all night in case I need help.

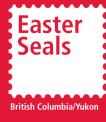

The dorms have showers, toilets, and sinks.

At camp we eat together in the dining hall, or at Outdoor Pursuits.

At camp, we eat meals that our counsellors bring to our group. I can say yes or no to any of the foods at mealtime.

At camp, when our whole group is done eating, we put away our dishes and clean the table.

There are lots of fun activities to try at camp!

There are outdoor activities.

There are indoor activities.

There are water activities. I might need to wear a life jacket in the water to keep me safe. Everyone wears a lifejacket at the lake, even my counselors!

At outdoor pursuits, I can choose to sleep in a tent.

There are lots of camp staff to help me.

I will stay at camp for 4 nights, and have so much fun!

Made in partnership with Canucks Autism Network
