

About Easter Seals

One in five (22%) Canadians aged 15 years and over has one or more disabilities. In British Columbia and the Yukon, approximately 750,000 adults and 26,000 children have a disability that limits their independence and quality of life.

Now in its 75th year, Easter Seals BC & Yukon is one of BC's legacy charities operating for over six decades to provide programs and services to better the lives of children and adults with diverse abilities. Operated by the BC Lions Society for Children with Disabilities (Society), ESBCY has helped 1.1 million families in need through transportation services, Easter Seals Camps, educational classes, Easter Seals House, post-secondary bursaries at regional colleges and universities, community access services, and patient care programs.

As a registered charity, the Society relies on the generosity of donors to fund their programs and services. Through individual and corporate giving, grants, special events, and major gifts and bequests, the Society directs and stewards its funds with the strategic guidance and fiduciary oversight from its Board of Directors.

Mission
